

## DT100 - ALL-ROUND BOX LABELLING

DT100 is a flexible "multi-purpose" direct thermal Print&Apply solution that suits many applications within box- and product labelling - meeting demands for both accuracy and speed.

The DT100 has the reliable, robust and easy to use design - as seen on all the Mectec family machines. It is proven to give you 24 hours reliable labelling for many years to come - even in the most harsh industrial environments!

Box, tray and parcel labelling. Applies on both moving and stationary products!

Printer and applicator in right hand version

Handheld terminal TG300 (optional)

Printer Control Unit PCU III
